#### **The Sixth Form Management Team's Message to Year 11 Students**

We are delighted that you are interested in what Blue Coat School Sixth Form can offer you!

This guide is designed to help you make decisions about whether this Sixth Form is the right one for you, and which A level courses will be the most appropriate.

We are a traditional Sixth Form with high expectations of our students and strong ambitions for our students. We are proud of our reputation for academic excellence, our pastoral care and the opportunities for development outside of the classroom. Our aim is that every Sixth Form student will leave Blue Coat equipped with the skills for success at University and in their onward career.

In choosing your A level courses, do seek out members of staff and ask for their guidance. If you are not yet a member of our School, contact us for advice and we will answer your query as soon as we can. Make sure you study the pre-conditions for entry to a course carefully - we do not accept students on to a course even if they are one mark off the required grade.

If we can help you with your application in any way, please do not hesitate to contact us.

We look forward to meeting you!
