A Specialist School in Science and Mathematics

October 2010

Dear Parent/Carer

Last academic year, a number of our students achieved Oxbridge places as well as a substantial number who achieved places to study medicine, dentistry or veterinary science. Their success was aided and supported by those of you who were able to help out as volunteers for Mock Interview Panels. I would like to thank all those parents who gave of their time to enhance the prospects of our students.

I believe that those students applying to Oxbridge and/or to courses in Dentistry, Veterinary Science and Medicine, where formal interviews still occur, benefit from such an experience. If you feel you can help, it would be appreciated if you could return the reply slip below to the UCAS administrator, Miss Clare Payne at the school office.

Interviews would take place in the evening during November.

Yours faithfully,

C. Payne
