Dear Parent/Carer/Friend

Quiz Night- Friday 18th March 2011

On Friday 18 March, we will be holding our annual Family Quiz Night. This multimedia event has been a huge part of the Blue Coat school year for a long time and is always hotly contested by parents, friends, students and staff. Last year we squeezed in just over 200 contestants and it was a complete success – unless of course you didn't win! The winners were a staff team so, whilst they will be back to defend their title, we are anticipating that students, parents and friends of the school will make a strong challenge for the trophy. This year, our quizmaster has promised his usual fast, fun and competitive night but has added a few new twists. The bar will be open as usual but please remember to "bring your own" nibbles!

Doors open at 7.15pm, with a starter quiz available on the table. All teams must be registered by 7.45pm and the main quiz starts at 8.00pm – prompt! Teams can be up to eight people per table and tickets will be available on the door, on a first come basis. Don't worry if you want to come on your own or can only bring two or three friends along - other people do the same and we have become pretty good at making sure that you have an opportunity to join a team and make new friends. Sadly health and safety concerns mean that we need to limit numbers to 200, so if you really want to come, please use the form provided to book in advance and avoid being disappointed on the night!

Thanks to your support the Parents' Association help fund a range of educational, cultural and sporting activities every year and we are always delighted to do so. However, it is always exciting to have an additional "big project" and just this week we have committed to buy the school a new 17seater minibus; so all monies raised at the quiz will help us towards that goal!

The quiz is an event for family and friends which we hope will provide you with an evening of great enjoyment, as well as raising money for the benefit of our current students. The PA appreciates the contributions of parents and friends and the demands on their time but it would be great to see you dusting off the encyclopaedias and enjoying the good natured competition of this great event with us.

Yours sincerely

Lyndsay Lynch (Chair)
