Dear Parent/Carer

Re: Recent Consultation about changes to the School Day for September 2016

As you will recall I wrote to you in December to invite your views about a number of proposed changes to the School day. These changes are carefully focussed on ensuring our School day supports both students and staff better.

I am very grateful for the comments, thoughts and suggestions you provided in response which were unanimously in favour of the proposed changes. Recent consultations with school staff and students have also confirmed that there is overwhelming support for the proposed changes.

Consequently, I can confirm that the following School day changes have been approved by The Governing Body to be implemented from 1 September 2016:

8.45	Reg/Assembly
9.05	Travel time
9.10	P1
10.10	P2
11.10	Break
11.30	P3
12.30	Lunch
13.30	P4
14.30	P5
15.30	End of day

It is reassuring to know that the students, parents and staff are overwhelmingly positive about these changes and we look forward to the significant advantages they will bring next year.

Thank you for your continued support of the work of the School and for your engagement in this consultation which have been extremely useful in helping inform our final decisions.

Yours sincerely
