Dear Parent/Carer

### Re: State Secondary School of the Year

I am delighted to share with you that The Blue Coat School has been publically recognised for the students' exceptional achievements in 2015.

The Sunday Times announced The Blue Coat School as "State Secondary School of the Year" on Sunday 22 November 2015. Our students' truly remarkable achievements in their GCSE's and A-levels in 2015 placed the School as the highest ranking state secondary school in the North West of England.

The fantastic achievements in 2015 continue to make us extremely proud of all of our students and their commitment to be the very best they can. Your role as parents is so crucial in helping us to ensure so many of our students achieve such great outcomes in their subjects they choose. I know you will join me in thanking all of the teaching and support staff for the exceptional care and support they give to the students so that they are ready to take on the exciting challenges of their next steps in education.

As we guide, support and advise our current students, my colleagues and I continue our determination to ensure we provide great opportunities for the students to enjoy and excel even further.

Yours sincerely

Mr M A Pennington
