February 2018

Dear Parent,

I am writing to confirm the study leave arrangements for the forthcoming GCE examinations. Study leave will commence for all Year 13 students at 3.30 pm on Friday 25th May 2018.

Students will begin their exams on Monday 14th May and we will require all students to be in school until the date of the study leave.

The rationale behind this is that we feel it will provide our students with the best opportunity to realise their potential in their GCE's.

Students will receive support sessions that are structured and targeted towards specific revision areas in all subjects. This will allow them to be able to seek instruction from staff and submit any work that is of concern.

We will be in contact in May to confirm final exam arrangements and details of book return.

Many thanks for your support in this matter

Yours faithfully
