Internal Appeals Procedure for External Qualifications

The Blue School School's Procedure on Appeals is in two parts:

1. Procedure on Internal Assessments for External qualifications.
2. Procedure on External Assessments for External qualifications (enquiries about results).

Procedure on Internal Assessments for External Qualifications

The Blue Coat School is committed to ensuring that:

- Internal assessments are conducted by members of teaching staff who have the appropriate knowledge, understanding and skills and who have been trained in this area.
- Assessment evidence is provided by candidates, is produced and authenticated according to the requirements of the awarding body for the subject concerned.
- The consistency of internal assessment will be maintained by internal moderation and standardisation.
- All student work being assessed by teaching staff for external qualifications, is carried out fairly, consistently and in accordance with the rules and regulations of the specification relating to the qualification.

Note to students

If a student has any concerns about the procedures used in assessing their internally assessed work for public exams, i.e coursework/portfolios, they should discuss the matter with the Head of Department immediately. Following that, if the matter remains unresolved, the formal appeal procedure may be used by the student concerned.

Written Appeals Procedure

The student, parent or guardian of a student wishing to appeal against the procedures in internal assessment should write to the Examinations Officer as soon as the matter arises. The deadline for the receipt of appeal applications to reach the School is ten days prior to the start of the written examinations series. Internal appeals will be considered, and resolved, by the date of the last externally assessed paper of the series (e.g. by the end of June for the summer series).

On receipt of a written appeal, an enquiry into the internal assessment will be conducted by the Examinations Officer, a member of the Senior Leadership Team and the Head of Department not involved in the internal assessment decision. This enquiry will consider whether the procedures used in the internal assessment conformed to the published requirement of the appropriate awarding body's Code of Practice.

The outcome of the appeal will be reported in writing to the student, parent or guardian (including relevant correspondence with the awarding body) before public exam results day for the award.

A written record of the appeal and the outcome will be kept on file at the centre and the awarding body will be informed of any amendments.

Procedure on External Assessments for External Qualifications (Enquiries about Results – EARs)

Any student who wants to query a mark / grade awarded by an awarding body upon issue of results should follow the following procedure:

- Contact the Examinations Officer and the subject teacher as soon as possible (but at least five working days before the published deadline for EARs) in person to discuss the mark/grade. The Examinations Officer will advise on the options available to query the mark/grade and the costs involved.
- Students should be aware that EARs can result in marks/grades being raised, confirmed or lowered. Students must sign a Consent form to confirm that they understand the consequence of an EAR. Consent forms will be issued by the Examinations Officer.
- The subject teacher will review the student's mark/grade and discuss with the Head of Department to agree on the appropriate action, taking into account the breakdown of marks, the grade boundaries and the student's predicted grades.

If the department agrees to support the EAR:

- The request together with the student's Consent form, should be made to the Examinations Officer before the published deadline for EARs. The cost of the enquiry will be met by the students. If the EAR is successful the fee will be refunded.

If the department does not agreed to support the EAR:

- A student may appeal against the decision not to support an EAR. Appeals should be made in writing to the Examinations Officer, at least 5 working days before the published deadline for EARs. The appeal should state, in detail, the reason(s) for the appeal. This appeal should be signed and dated and should include the daytime contact telephone number of the student, parent or guardian. The appeal information will be reviewed by the Examinations Officer and a member of the Senior Leadership Team; the outcome of the appeal will be communicated by telephone and first class post within 24 hours of receipt. This decision is final.
- If the centre does not support the EAR the student may still proceed with the EAR but all costs involved will be paid by the student at the time the EAR is made. No EARs will be made until fees are paid. Requests must be made in person to the Examinations Officer before the published deadline for EARs. If the enquiry is successful the fee will be refunded to the student.

Outcomes following EARs will be forwarded by the Examinations Officer to the student as soon as they have been received from the Awarding Bodies.
