100+ Club: Your Chance to Join for 2023-2024

Following the success of the 100+ Club over the last ten years, The Liverpool Blue Coat School Parents' Association is re-launching the 100 Club for 2023-2024.

The Club gives members a chance to win a cash prize at one of the ten draws held throughout the year and is a very easy way for you to become involved in supporting the fund-raising efforts of the Parents' Association for a small cash outlay and without the need for you to give up any of your time.

The 100+ Club is a small, private lottery where parents/carers, staff and friends of the school have the opportunity to buy a number(s) which is randomly allocated for one academic calendar year. The cost for each number is £12 per year, payable in advance. There is no maximum allocation of tickets per person/family. Each number is entered into a monthly draw and cash prizes are awarded for the 1st, 2nd and 3rd numbers drawn. Half of the total amount of money generated is allocated to the prize fund, with the remainder being allocated by the PA to school projects benefitting Liverpool Blue Coat School students.

Over the past five years, the PA has donated over £40,000 towards extra-curricular Clubs and a myriad of Key Stage and departmental initiatives in the Art, Biology, Business Studies, Chemistry, Design & Technology, English, Geography, History & Politics, Maths, Music and P.E. faculties as well as purchasing a new Yamaha piano, several outdoor table tennis tables, drones and contributing over £5000 towards the refurbishment of the 6th Form Bistro.

The PA will shortly agree with Ms Yates the key targets for this year's fund-raising activities to provide the extras that enhance The Blue Coat experience for our students.

The opportunity to join this year's 100+ Club fundraising scheme is now available via ParentMail. Simply select 'Payments' and then 'Shop', and add to your basket how many numbers you would like to purchase at a cost of £12 per number. The closing date for receipt of your application/payment is Sunday, 15th October 2023 (it may not be possible to join the 2023-2024 initiative after this date). The PA will then contact you by e-mail in due course to let you know your allocated number(s) for the draws.

The Club is open to parents, staff and friends, and numbers can also be purchased on behalf of students, however, the payee must be over the age of 16. Full details of the 100+ Club initiative can be found overleaf (The 100+ Club Rules).

Draws will take place at each month's Parents' Association meeting, and due to the administration in setting up the Club, the October and November draws will take place at November's meeting.

Thank you for your support and good luck!
