## Parents' Association 2023 Christmas Raffle Prize Appeal

Dear Parents

The Blue Coat School PA is once again planning its Christmas raffle and would like to appeal to the school community for donations of raffle prizes. In previous years our prizes have included:

Electronic items, cash, restaurant vouchers, musical instruments, cinema and theatre tickets, beauty products, food and wine.

All money raised by the PA is donated back to school to help enhance The Blue Coat experience for our students. Recently, we donated funds which were used for purchasing new football kits for students in Key Stage 3, 4 and 5, purchasing 5 sets of Drones used by the Physics and D&T departments, purchasing technical equipment for the Music department including a mixing desk, amps, microphones, stands and cables, buying a new Yamaha piano as well as contributing over £5000 towards the refurbishment of the 6<sup>th</sup> Form Bistro.

The Christmas raffle is a major fundraiser for the Parents' Association and we are extremely grateful for any support you may be able to give.

If you can donate a prize, or run a business and are able to sponsor our raffle (**with your company name on the tickets**), please contact us at: [parentsassociation@bluecoatschool.org.uk](mailto:parentsassociation@bluecoatschool.org.uk) as soon as possible.

Yours sincerely,

Dianne Sheerin  
Chairperson
