Big Thanks from South Liverpool Foodbank

On behalf of South Liverpool Foodbank, we want to pass on our sincere thanks for your generous donation. We are very grateful. This past year has been another difficult one and lots of people have turned to our foodbank for help. Food donations have been down, and our stock has been low, so your donation has been a big help.

Support like yours is invaluable, making a significant difference to local people struggling to afford the basics. People like 'Gill,' one of the clients we saw recently. Gill is a single mum with two children who has had to cut back on her hours at work due to ill-health. Now her income is stretched to the absolute limit. She is struggling to afford the essentials for the family, and it is affecting both her mental and physical health. Thanks to donations like yours, we have been able to provide Gill with emergency food and also offer her practical guidance so she can access the right support to help her get back on her feet.

We could not do what we do without our teams of dedicated volunteers, but most of all without help from our community and people like you.

Thanks again for your support.

Yours sincerely

Abi Clegg
