We are seeking to appoint a Catering Assistant to join our school catering team.

The successful candidate will support the day-to-day operation of the school's catering facility, assisting with the preparation and serving of healthy and nutritious meals for students and staff. The role will also involve maintaining high standards of cleanliness and hygiene throughout the catering and dining areas, in accordance with food hygiene and health and safety regulations.

Previous experience of working with a school environment is not essential. However, an awareness of food hygiene requirements and health and safety procedures within a busy kitchen environment would be desirable.

We are looking for a reliable, conscientious and well organised individual who is able to work effectively as part of a team and is committed to maintaining high standards of food hygiene, cleanliness and service.

This is an excellent opportunity for someone who is keen to contribute positively to the wellbeing of our students and to become part of a supportive school community.

Early applications are encouraged as we reserve the right to close this vacancy early should a suitable candidate be appointed.

The Blue Coat School is committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment.
