21 November 2018

Dear Parent

As you may already be aware our Year 13 students will shortly be undertaking their mock examinations beginning on the 3rd December 2018. These internal exams not only provide the students with another opportunity to experience the atmosphere associated with formal assessment, but also to experience and manage the demands of multiple higher level exams in a short space of time so that they are better prepared for their finals towards the end of the academic year.

Timetables for these examinations are attached for your information and have been provided to students by their Form Tutor. All exams will be held in Shirley Hall and the school expects exemplary conduct during the exam period from students, both during examinations and outside of the scheduled examination times. Students who are not in examinations are expected to be in school and will be registered for timetabled lessons as normal. Students should bring revision materials to all lessons that week as teachers may allow them to revise during this time. These mock exams are a critical benchmark for both students and teachers to measure student progress and attainment, in addition to providing signposting for additional support that may be needed over the forthcoming months.

This is an important time of year for Year 13 students, and we are grateful for the support you provide both them and the school in preparing students for their A Level exams in the summer. If you have any questions or concerns, please do not hesitate to email your son/daughter's Form Tutor.

Yours sincerely

Mr D Mercer

Key Stage 5 Leader
Student Progress and Achievement

Y13 Mock Exams – W/C 3rd December 2018

Period	Monday	Tuesday	Wednesday	Thursday	Friday
