25 February 2019

Dear Parent

You will be aware from my most recent Parentmail that our school is strongly committed to celebrating the achievements of our students both within and outside of the classroom. It would help us a lot if we knew about your son's/daughter's out of school activities/achievements since the start of this academic year 2018/2019. This would enable us to award them achievement points, to share their successes within the school community and further improve the quality of our form tutor reports.

I would stress that this information is entirely voluntary. It is requested only in the interests of supporting your son/daughter in recognising his/her talents and strengthening our school community. You can submit this information before Friday 15<sup>th</sup> March 2019 by going to the student out of school achievements section at the address [here](#).

Yours faithfully

*N D Barends*

Mr N D Barends  
Assistant Headteacher Progress and Achievement
