Preventing a negative culture

- 39 If a student breaks a school rule or fails to follow a reasonable instruction, staff will consider the use of an appropriate sanction.
- 40 The Blue Coat School's range of sanctions is outlined in the school behaviour framework (Annex C).
- 41 In line with Behaviour and Discipline in Schools DFE (January 2016), the Blue Coat school will ensure:
- the decision to sanction a student will be made by a paid member of staff or a member of staff authorised by the Headteacher
 - the decision to sanction and the sanction itself will be made on the school premises
 - the sanction will not breach other legislation and it will be reasonable in all circumstances
- 42 As stated in the Education and Inspections Act (2006), The Blue Coat school may discipline students for misbehaviour outside the school premises to "such an extent as is reasonable".
- 43 The Blue Coat School will make use of detentions as part of the behaviour framework (Annex C).
This may include detentions:
- at break time
 - at lunchtime
 - after school
- 44 Whilst parental consent is not required to detain a student after school, the School will endeavour to inform parents in advance if their child is to be detained after school to serve a detention.
- 45 Sometimes the School will need to gather information about behaviour concerns. The School will always consider the impact this has on student learning.

- 46 Internal isolation may be issued as a sanction in line with the School's behaviour framework. Internal isolation will:
- only be authorised by a senior leader
 - be of a reasonable duration
 - require the student to work alone in an assigned room

- a persistent failure to comply with the school's expectations of behaviour
 - a serious breach or persistent breaches of the school's behaviour policy
 - where allowing the pupil to remain in school would seriously jeopardise the education or welfare of the pupil or others in the school.

This Case Conference Support plan (Annex E) will include contributions from staff, students and parents and will set out agreed strategies to support the student in adopting more positive behaviours.
- 68 In instances where a student does not respond positively to the range of support outlined above and continues to fall short of the school's expectations, the School may engage the advice and guidance of outside agencies who may work with the School, parents and the student.
