ART AND DESIGN TECHNOLOGY TECHNICIAN

35 hours per week Term-time only

Hours: 8.30am – 4.30pm

Actual Salary Range £15,940 - £17,254 (Blue Coat School Grade 3)

We are seeking to recruit a Design Technology Technician to support the teaching of DT across all material areas including food and art.

The role will involve coordinating and setting up of the practical resources and facilities to support the curriculum, as well as supporting the teacher with food and textiles at KS3 and their development at KS4. Supporting students within the lesson when required.

Working closely with teaching staff, the successful applicant will assist in the servicing of machinery, clean and sharpen tools, maintaining good standards of organisation to ensure safety and reliability.

We are seeking to appoint a technician with experience of using workshop tools, food hygiene, health and safety within an educational setting or an individual who has undertaken a role involving similar duties outside of education. Experience of operating a laser cutter and working with CAD/CAM programmes would be desirable, but not essential.

Further details on the role are contained within the job description.

The Blue Coat School is committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment.

This post is subject to satisfactory references and proof of eligibility to work in the UK being received and a satisfactory enhanced disclosure being obtained from the Disclosure and Barring Service.

**Application form and job description are available to download
from the school website.**

Completed applications to be sent to Mrs Shirley Heath, Personnel Officer
