Dear Parent

**Re: Our Priorities 2019-20**

As you will have seen, the students' [A Level and GCSE results](#) this year once again gave us all, as staff, students and parents of The Blue Coat School much to be proud of.

Although we look back with pride, we also look ahead to continuing our efforts to provide the very best experience we can for our current students, your children. We should be deservedly proud of the many ways that we serve the students outstandingly well, but also ready to once again stretch ourselves to try to be even better.

We have a wide variety of ways that help us identify what we do well and what we can improve further. This includes listening to yours and your children's views about the experiences we provide. The feedback we receive always helps us to focus on new priorities that are really centred on supporting your children and you as their parents. You can read a summary of this feedback on our [website](#).

In our efforts to engage with you as much as possible, I am also pleased to share a student and parent friendly summary of our [School Improvement priorities](#). This simple summary has been prepared to provide you and your child with a helpful overview of what all of us at Blue Coat are challenging ourselves to achieve in the coming year. In the next 12 months we look forward to more opportunities to capture yours and your children's views about how well we are striving towards these goals.

Thank you for your ongoing feedback, engagement and support.

Yours sincerely

Mr M A Pennington  
Headteacher
