October 2019

Dear Parent

Re: Personal Development across the key stages

As your child progresses through the years at Blue Coat we believe their personal development is a vital aspect of their school experience. We provide a range of opportunities for students to develop, challenge and stretch themselves as they grow as individuals. Our Personal Development lessons that are embedded in our curriculum are at the heart of this provision. They cover 5 core areas:

- personal, social and health education
- CIAG (careers, information advice and guidance)
- citizenship
- relationships and sex education
- financial responsibility

Importantly, the schemes of work used are reviewed and updated annually allowing for changes in government legislation and improvements to the quality of resources delivered.

If you would like further detail on the content of these schemes of work they can be found on our website following this link:

<https://www.bluecoatschoolliverpool.org.uk/school-life-2/our-curriculum/>

If you have any queries or questions do contact me here in school.

Yours sincerely

Mrs S Yates
Deputy Headteacher
