10th June 2020

Dear Y10 & Y12 Parents and Students.

I hope you are all keeping well.

At the full Trustee Board meeting last night **it was agreed that the school would reopen on Monday 15th June 2020** to provide face to face support for our Y10 and Y12 students.

It is important that all parents and students are aware of the following:

- This decision remains open to change if there are significant changes between now and Monday 15th June
- There will be a daily review of health and safety issues by SLT and Trustees and the risk assessment will be updated accordingly
- The safety of staff and students remain paramount

INFORMATION AND GUIDANCE FOR STUDENT RETURN

Attached to this email you will find:

- Information and guidance for parents and students - please do read carefully as it gives important information for the return
- The current risk assessment that will also be on the website - this is a live document that will be updated daily
- The Health and Safety checklist

I hope that you can see from the information and guidance there has been extensive thought, consideration and effort expended to put in place all the measures possible that supports everyone's health and safety.

It may be that parents or students have further queries and questions - please use this email address; office@bluecoatschool.org.uk and your enquiry will be forwarded to the appropriate colleague.

Can I reiterate that this decision is subject to change so it is important that you are alert to any further emails and correspondence over the coming days and whilst the school is open.

If things remain the same, I am pleased that we will be able to welcome back Y10 and Y12 next week - I am very much looking forward to seeing you!

With best wishes to you all

Scilla Yates
Headteacher
