1st December 2020

Dear Parents,

Over the course of the next few months, your son/daughter will be choosing the subjects that they wish to study in the Sixth Form. The Options Forms will need to be returned to Form Tutors by Thursday March 18th.

As this is a crucial phase in your son/daughter's Blue Coat career, we are particularly keen to provide as much help support and guidance with this process as possible.

Although in view of the current Covid restrictions, we have been unable to invite you to the usual parents' information evening; we have delivered a similar presentation to all Year 11 students in a recent assembly. We are also making all the information that would have been given out in advance of the parents' evening, available on the school website. Please use the link <https://www.bluecoatschoolliverpool.org.uk/our-school/admissions> to access a copy of the options booklet and the options form.

The Options Booklet gives details of: - Sixth Form entrance requirements, Subject entrance requirements, details of the content and expectations of each A-level subject and the conduct standards and application expected of all Sixth Form students.

The Year 11 Parents' evening on 8th December will provide a further opportunity for you to discuss your son/daughter's possible choices with their Subject Teachers.

In the event that you require any further advice or guidance, or that I can be of any further help, please do not hesitate to contact me at the school.

With Best Wishes

Mr S Shipgood
Assistant Headteacher
